Information Regarding your Damaged Baggage

We're sorry to hear that your baggage was damaged during the flight today. Our Handling Agents do all they can to take care of your bags, but damage does occasionally arise and we'd like to apologise for any inconvenience this may cause you.

To support a claim for repairs, or a replacement, please complete a Property Irregularity Report form (PIR) before you leave the airport at the Ground Handlers Customer Service Desk. You may then submit a claim through your own travel insurance.

Thomas Cook Airlines UK / Condor Flugdienst GmbH

If you choose to claim through our service provider Dolfi 1920 GmbH, or Flughafengepäckservice FGS, you must contact them immediately, and **no later than 7 days** from the date of your flight. **Failure to do so may result in your claim being refused.** To validate your claim please ensure that you provide your PIR form, baggage tags and flight ticket, or boarding card.
