6.1 Authority to process my Medical Information

In order to enable Condor to confirm my fitness to fly for my booked flights, I hereby explicitly consent to and authorise my doctor mentioned at section 4 above to disclose the necessary information to Condor and their commissioned medical advisors solely for the purpose of determining my fitness to fly and to allow them to fulfil any special assistance requirements. I also explicitly consent to release the attending doctor from his or her obligation to maintain my medical information strictly confidential with respect to the disclosure to Condor. I reserve the right to revoke my consent to Condor to process my medical information at any time, but recognise that this may result in my being deemed not fit to fly and being therefore denied carriage on my booked flights.

Your flight continues to be subject to our general booking terms and conditions and conditions of carriage.
