Sabrina Licata becomes Miss Condor 2012

24 Miss Germany candidates turn the aircraft into a catwalk

Kelsterbach/Fuerteventura, January 27, 2012 – Right on time at 12:10 this afternoon, what was arguably the most beautiful flight ever, took off and headed south. Condor flight DE4474 from Frankfurt to Fuerteventura was not just taking people on vacation, it was also carrying 23 Miss Germany 2012 contestants to their beauty camp. Sabrina Licata, Miss Baden-Württemberg, won though against all the other candidates when the central aisle of the aircraft became a catwalk. The 265 passengers on board filled in their voting slips and elected her Miss Condor 2012.

“Yesterday, somewhat unusual entertainment was very well received by our passengers”, smiles Uwe Klenovsky, Sales Manager at Condor. “This was the eighth time we have elected a Miss Condor on board and once again, it was a complete success.”

Taking part in the Miss Condor contest were the 15 beauty queen pageant winners from the Federal German States, as well as Miss Central Germany, Miss Northern Germany, Miss East Germany, Miss Southern Germany, Miss South-West Germany, Miss West Germany, Miss Ashampoo and Miss Internet. All those taking part have a chance of becoming the new Miss Germany. Preparations get underway this year at a beauty camp in the Aldiana Hotel on Fuerteventura, where the Beauty Queens will have seven days of photoshootings and workshops. Their coaches, Monica Ivancan, model and catwalk coach, Ross Antony, red carpet, Paul Reeves, singing coach, Ines Kuba, deportment and etiquette, and Dr. Maik Irmisch, health and nutrition, are flying with them to Fuerteventura.

The grand final to elect Miss Germany 2012 takes place on February 11, 2012 at the Europa Park, in the southern German town of Rust. “We are keeping our fingers crossed for our Miss Condor Sabrina Licata”, says Klenovsky. “Hopefully, she will not just be a winner above the clouds, but will also win through against the other contenders to become Miss Germany when she has solid ground beneath her feet.”

Condor Flugdienst GmbH has been flying passengers on vacation to the loveliest destinations in the world since 1956. It is a wholly-owned subsidiary of Thomas Cook, one of the world’s leading tour operators. Each year, Condor flies approximately six million passengers to more than 70 destinations in Europe, Asia, Africa and America. The leisure airline’s fleet comprises 35 modern, eco-friendly aircrafts: twelve Airbus A320s, thirteen Boeing 757-300s and ten Boeing 767-300s.

All Boeing aircrafts are serviced by Condor Technik GmbH, while the Airbus fleet is serviced by Condor Berlin GmbH. Both these companies are wholly-owned subsidiaries of Condor Flugdienst GmbH.
