### ***Condor: Announces Interline Agreement With Sun Country Airlines®***

***Leisure airline expanding reach in America by adding Minneapolis-St. Paul to route network***

Frankfurt am Main, 26 June 2014 – Condor today announced it has added Sun Country Airlines as an interline partner that expands its reach to popular American destinations through Minneapolis-St. Paul International Airport (MSP) Terminal 2. Beginning today, these flights are available via any IATA travel agency. Next week, Sun Country flights will be available on [www.condor.com](http://www.condor.com) and other channels.

Condor passengers can now fly non-stop from Frankfurt to Minneapolis-St. Paul International Airport (MSP) Terminal 2 on Mondays and Thursdays, then take connecting Sun Country flights to cities such as Dallas/Ft.Worth (DFW), Seattle (SEA), Los Angeles (LAX) or Chicago (MDW). Further, expansion of markets is planned for the summer of 2015.

“By adding Minneapolis-St. Paul to our network, we are continuing on the proven path of offering our passengers maximum of flexibility and choice. And as well as offering the first flight and the only nonstop connection from Germany, the programme also has the support of a strong new partner,” explained Jens Boyd, Head of Long-Haul of Condor Flugdienst GmbH. “We are delighted about the co-operation with Sun Country, and also that we are able to offer our passengers this connection right at the start of the season.”

“Sun Country is pleased to align with a respected international airline like Condor,” said John Fredericksen, president and chief executive officer, Sun Country Airlines. “Condor passengers who take advantage of this agreement will have a great flight experience accentuated by a world-class flight crew. We look forward to welcoming more travellers to our great destinations.”

An extended Condor flight programme already exists for flights from the United States. Beyond the existing destinations Baltimore/Washington (BWI), Fort Lauderdale (FLL), Las Vegas (LAS), Seattle (SEA), Anchorage (ANC) und Fairbanks (FAI) under the keywords EASY CONNECTIONS, Condor offers its passengers connecting flights to over 30 new destinations in the Pacific Northwest region. Due to the collaboration with Alaska Airlines Condor guests can fly to Portland, San Francisco, San Diego and Hawaii via the Condor destinations Seattle and Las Vegas.

The flights will be offered as connecting flights in an interline agreement.

### About Condor:

Condor Flugdienst GmbH has been flying its passengers to the world's most beautiful holiday destinations since 1956. On an annual basis, 7 million passengers fly with Condor to around 75 destinations in Europe, Asia, Africa and America. Since 2013, the German airline Condor, is part of the Thomas Cook Group Airlines to which the Thomas Cook Airlines UK, Thomas Cook Airlines Belgium and Thomas Cook Airlines Scandinavia also belong. The fleet of the airlines in the Thomas Cook Group comprises 88 modern and environmentally friendly aircraft, of which 40 aircraft are in the Condor fleet: 12 Airbus A320s, 3 Airbus A321, 13 Boeing 757-300s and 12 Boeing 767-300s. The aircraft are maintained by the airline's own technical operations. In a representative survey of Focus and Focus Money, called "Mit gutem Gewissen", Condor was elected the most environmentally sustained airline and received the sustainability prize in 2014. Condor is co-initiator of the four-litre-campaign of the federal association of German aviation (BDL): German aviation consumption of kerosene is less than 4 litres per passenger on 100 kilometres.
